

Nama: Anggita Aprilia

The image displays two screenshots of the TestRail web application interface. The top screenshot shows the 'Overview' page for a project named 'Qe-testing Anggita Aprilia'. The interface includes a top navigation bar with tabs for Overview, Todo, Milestones, Test Runs & Results, Test Cases, and Reports. A sidebar on the left contains various icons for navigation. The main content area features a progress chart for the last 14 days, showing 0 Passed, 0 Blocked, 0 Retest, and 0 Failed. Below the chart are sections for Milestones (listing 'Fitur Comment di todoist' and 'Fitur Task di todoist') and Test Runs (listing 'Fitur Task di todoist' and 'Test Run 3/4/2022'). An 'Activity' section shows recent updates. The right sidebar contains 'Actions' (Milestones, Test Runs, Test Cases) and 'Todos' (Test Run 3/4/2022). The bottom screenshot shows the 'Add Test Plan' form. It includes fields for 'Name', 'Milestone', and 'Description'. A message at the bottom states: 'Please add test runs to this plan from the sidebar. For every entry and/or configuration you add to this test plan, TestRail automatically starts a corresponding test run.' Buttons for 'Add Test Plan' and 'Cancel' are visible. An 'On-Screen Keyboard' is overlaid at the bottom right of the second screenshot.

Top Screenshot: Overview

Project: Qe-testing Anggita Aprilia

Navigation: OVERVIEW | TODO | MILESTONES | TEST RUNS & RESULTS | TEST CASES | REPORTS | ADMINISTRATION

- On-Screen Keyboard:** Visible at the bottom of the screen.

Nama: Anggita Aprilia

The screenshot displays the TestRail web application interface. The browser's address bar shows the URL `anggitaaprilia.testrail.io/index.php`. The page header includes a navigation bar with tabs for OVERVIEW, TODO, MILESTONES, TEST RUNS & RESULTS (active), TEST CASES, and REPORTS. A user profile dropdown for 'Anggita Aprilia' is visible in the top right.

The main content area is titled 'Test Run 3/4/2022' (R1). A green notification bar states 'Successfully added the new test run.' Below this, a summary card shows a large grey circle representing the test run progress. To the right of the circle, a list of status counts is displayed:

- 0 Passed (0% set to Passed)
- 0 Blocked (0% set to Blocked)
- 0 Retest (0% set to Retest)
- 0 Failed (0% set to Failed)

To the right of the summary card, a large box displays '0% passed' and '0 / 0 untested (0%)'. Below the summary card, there are filters for 'Sort: Section' and 'Filter: None', along with buttons for '+ Add Results', 'Assign To', and 'Columns'.

The bottom section of the main area contains the text 'There aren't any tests in this test run.' The right sidebar shows a 'Tests & Results' section with links for Activity, Progress, and Defects. A small green notification bubble with the number '2' is visible in the bottom right corner of the sidebar.

The Windows taskbar at the bottom shows various application icons, including the Start button, File Explorer, Edge, Chrome, and several office applications. An 'On-Screen Keyboard' window is also visible, showing a virtual keyboard layout.
